accuracy

- a)** What do you know about the word?

Three words have the same tallies!

- b)** Make up a tally chart puzzle. What kinds of words are best to use?

- 2 This pictogram shows the number of pies sold by a bakery in one day.

Flavour of pie	Number sold in one day
Apple	  
Rhubarb	   
Blueberry	
Pumpkin	 

 = ?

The bakery sold 100 pies altogether.
How many rhubarb pies did it sell?

I will need to work out how many pies each symbol represents.

- 3 30 children were asked if they preferred Maths, English, Art or Music.
- The number who preferred Maths is a multiple of 10.
 - The number who preferred Music added to the number who preferred Art equals 19.
 - An odd number preferred Music.
 - More children preferred Art to Maths.

- a) Draw a tally chart with the numbers you know.
- b) What could the other numbers be?

There are four possible charts.
