Hi Everyone,
 I hope you all had a lovely Easter.
 We will be sending out new musical tasks each week to keep you busy.
 Here are this week's tasks. Enjoy!

If you have your instruments at home, see if you can remember how to play **Apple Pie**.

Q. What do you need to do with your lips and your air to change from a low to high note?

Start the clip at 2 minutes 11 seconds to hear the below words of this song.

Here are the lyrics for the first verse and chorus:

LIFE IS GOOD!

CHORUS

Life is good! That's no lie!
We're in it together, enjoying the ride.
We're living in the rhythm of a joyful life!
Joie de vivre! Vie de joie!
There's joy to discover wherever you are,
'Cause life is made for living with a cha-cha-cha!
Life is made for living with a cha-cha-cha!

VERSE 1:

Open your eyes to the wonder of life,
There's a world of delight right in front of you.
So many gifts we so easily miss,
All the beautiful things that are here for you.

Have fun with your music making – Stay safe and don't forget to wash your hands before you touch your mouthpiece!!! Christina & Hannah 😊
